

SAFETY INSTRUCTIONS FOR VISITORS

A WARM WELCOME TO HIGHVOLT PRÜFTECHNIK DRESDEN GMBH, GERMANY

The safety of visitors and employees in our company is of great importance.

We would like to ask you in your own and our interest to read and comply with the following information.

Please wear the visitor pass you received at reception clearly visible throughout your visit and do not leave your group!

We hope you have a safe and pleasant stay with us.

THE DOS AND DON'TS ON OUR PREMISES

ACCESS RESTRICTION

Entering of factory workshops, machines and systems is strictly prohibited and only possible with express approval by your contact partner.

Persons with active and passive medical implants (e.g. cardiac pacemakers or joint implants) are not permitted access to the test bays.

PROHIBITION OF SMOKING, ALCOHOL AND DRUGS

There is a general smoking ban on the premises. Smoking is only permitted in the marked area between buildings 5 and 7.

The misuse of alcohol and taking of drugs on the premises are generally prohibited.

TAKING OF PHOTOS PROHIBITED

The taking of photos and videos and the recording of discussions on the premises is principally prohibited. Special arrangements can be agreed with the appropriate division managers.

PERSONAL PROTECTIVE EQUIPMENT

It is imperative to wear safety shoes when leaving the marked walkways.

Electric test bays must only be entered after special instruction and approval by the test bay personnel.

Helmets are mandatory here.

Hearing protection is mandatory here.
